This technical drawing shows a cross-sectional view of a circular mechanical component. The central part features a hub with radial vanes or blades. Surrounding this is a thick ring or housing, which is secured by several bolts or screws. A dashed circle labeled 'W' is centered within the hub area. The drawing is annotated with numerous numerical labels (17, 20, 24, 27, 30, 33, 35, 36, 37, 38, 40, 45, 46, 48, 49) pointing to specific parts. A section line 'I-I' is shown on the right side, indicating the plane of the cross-section.
